PCACAC FISCAL POLICY

SECTION 7: REIMBURSEMENT/TRAVEL GUIDELINES

PCACAC expects that all reimbursable expenses be reasonable, necessary, and be supported with appropriate documentation and receipts. An “eligible PCACAC member” is defined as a member of the Leadership Team, the Executive Committee or a committee volunteer acting directly on behalf of an established PCACAC committee. Reimbursements must comply with the following guidelines:

- An eligible PCACAC member should request a reimbursement from PCACAC for travel expenses when it is not appropriate or possible for the expenses to be reimbursed by the PCACAC member’s employing institution.
- All requests for reimbursement must be submitted on a Request for Reimbursement Form with all receipts attached. The form must be signed by the President or the Committee Chair responsible for calling/hosting the meeting. The form should be submitted to the Finance Vice President no later than 15 days post meeting or event.
- When traveling by car, PCACAC will reimburse eligible members at the rate of 50 cents per mile.
- When meals are an allowed part of travel on PCACAC business, the eligible member reimbursement amount for meals (including up to one alcoholic beverage), excluding tips, may not exceed \$75 per day. This per diem can generally be viewed as allowing up to \$10 for breakfast, \$20 for lunch, and \$45 for dinner. Tips should not exceed 20 percent. All requests for reimbursement must include itemized receipts.
- Reimbursements for incidentals typically include parking (at non-valet rates where self-park is an option), commuter tolls, and tips for baggage handlers, housekeeping and other service personnel, and related travel expenses. Except as otherwise noted, expenses in excess of \$250 require the approval of the President or Finance Vice President prior to committing to the expenditure.
- **Transportation**
 - Eligible PCACAC members seeking reimbursement are responsible for making their own reservations as soon as possible in advance of the date of the event. When making travel arrangements, travelers are requested to book the lowest available roundtrip coach airfare. Eligibility for such fares is often restricted. Travelers making first-class, last-minute, or similar arrangements will be responsible for the difference in cost. Cancellations or penalties assessed for ticket exchanges are not eligible for reimbursement and are the sole responsibility of the individual unless due to unanticipated changes to the event’s schedule. Reimbursement requests for cancelled travel due to a family or similar emergency must be made in writing. Airfares in excess of \$500 per ticket and any exceptions to this policy require the prior written consent of the President and the Finance Vice President.
 - Eligible PCACAC members should use complimentary hotel shuttles, flat-rate airport shuttle services, or public transit when possible. Taxis or economical chauffeur services will be reimbursed if other forms of ground transportation are not available.

PCACAC FISCAL POLICY

- Reimbursement will be provided after the travel is completed. Exceptions to this policy may be granted by the President and the Finance Vice President. If an exception is granted, eligible PCACAC members may submit requests to PCACAC for reimbursement once travel is booked and need not wait until the travel is completed. Proof of purchase is required, which can be the airline's confirmation record to include the travel itinerary, date of purchase, ticket price and form of payment. In some cases, such as State and Regional Presidents' Council Grant recipients, this guideline may also apply to registration fees for the NACAC National Conference.
- Other Modes of Transportation: Travel by train or bus will be reimbursed for the face value of the ticket and, if traveling by car, PCACAC will reimburse eligible individuals according to the current PCACAC mileage guidelines. The level of reimbursement associated with these alternative modes of transportation should not exceed the amount of the lowest available round trip coach airfare to and from the same site.
- **Lodging:** One-half of the double occupancy rate of lodging may be reimbursed for eligible individuals. Those who prefer to have a single room will be responsible for the additional cost above the double- occupancy rate.
